Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Circuit Clerk's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Circuit Clerk's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statement

Note 1. Reporting Entity and Nature of Operations and Description of Funds and Significant Accounting Policies

Reporting entity and nature of operations: The Agency Fund financial statement of the Rock Island County, Illinois Circuit Clerk (Circuit Clerk) has been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting practices.

The statement of assets and liabilities—Agency Fund reflects only the Agency Fund of the Rock Island County, Illinois Circuit Clerk and is not intended to present the financial position of Rock Island County, Illinois or Rock Island County Circuit Clerk. This report is prepared to meet the Circuit Clerk Audit Guidelines required by the Administrative Office of Illinois Courts.

Description of funds and significant accounting policies: The Agency Fund is custodial in nature and does not present results of operations or have a measurement focus. Agency funds are accounted for using the accrual basis of accounting. The Circuit Clerk Fund is used to account for assets that the Circuit Clerk holds for others in an agency capacity, such as court ordered fees collected per state statutes.

Investments, which consist of investments in the Rock Island County investment pool, are solely invested in money market depository accounts valued at amortized cost. Investment earnings on Circuit Clerk Agency Fund investments are recognized as revenue in the County's General Fund since such earnings are considered available to finance the general operations of the County.

Due from primary government: During the year ended November 30, 2018, the Circuit Clerk provided an advance to Rock Island County, the primary government, of \$1,920,217. The balance is due November 30, 2027 with annual payments equal to the amount of unclaimed bail bonds over ten years old and taxes appropriated and levied by the Rock Island County Board. Note 2. Cash and Cash Equivalents

Authorized investments: The County is authorized by state statutes and their investment policies to make deposits in interest bearing depository accounts in federally insured and/or state chartered banks and savings and loan associations, or other financial institutions as designated by ordinances, and to invest available funds in direct obligation of, or obligations guaranteed by, the United States Treasury or agencies of the United States, money market mutual funds whose portfolios consist of the government securities, Illinois Funds Money Market Funds and annuities. The County maintains a pool for certain funds where the resources have been pooled in order to maximize investment opportunities. The pool is in money market depository accounts.

Interest rate risk: Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The County's investment policy does not limit the investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The Circuit Clerk Agency Fund's monies are in money market funds.

Credit risk: Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Circuit Clerk Agency Fund's monies are in money market funds.

Note 2. Cash and Cash Equivalents (Continued)

Concentration of credit risk: Concentration of credit risk is the risk associated with having more than 5% of investments in any issuer. The County's investment policy is to apply the prudent-person rule: Investments shall be made utilizing the judgment and care, under the circumstances then present, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investments, considering probable safety of their capital as well as the probable income to be derived. The investment policy further limits the County's investments to be less than 65% of the financial institutions' capital and surplus. The Circuit Clerk Agency Fund's monies are in money market funds.

Custodial credit risk: Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The County's investment policy allows the County Treasurer to determine whether collateral will be required of the financial institutions. The policy further requires collateral be held for financial institutions with County deposits in excess of 35% of the capital and surplus of the financial institution. When collateral is required, 110% of the deposit is required and only U.S. Government direct securities, obligations of Federal Agencies or Federal Instrumentalities, obligations of the State of Illinois, obligations of the County of Rock Island, obligations of municipalities located within the County or acceptable collateral as identified in the state statutes may be held as collateral.

As of November 30, 2019, the Agency Fund's deposits were not exposed to custodial credit risk as the balances were insured and/or collateralized.

Rock Island County, Illinois Circuit Clerk

Agency Fund

Note to Report J—Annual Financial Report

Note 1. Basis of Presentation

The accompanying Report J—Annual Financial Report includes activity for the year representing revenue earned by the Circuit Clerk's office and the distribution of funds held by the Circuit Clerk's office in an agency capacity for others. The information in this report is presented in accordance with the requirements of the Administrative Office of the Illinois Courts. Therefore, some amounts presented in this report may differ from amounts presented in, or used in the preparation of, the Agency Fund Financial Statement.

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance With
Government Auditing Standards**

Independent Auditor's Report

Circuit Clerk and
County Board of Rock Island County, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Agency Fund financial statement of Rock Island County, Illinois Circuit Clerk (Circuit Clerk) statement of assets and liabilities—Agency Fund as of and for the year ended November 30, 2019, and the related notes to the financial statement, and have issued our report thereon dated June 29, 2020.

The financial statements of the Agency Fund of the Circuit Clerk does not purport to, and does not present fairly, the financial position of Rock Island County, Illinois or Rock Island County Circuit Clerk, Illinois as of November 30, 2019 or the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Circuit Clerk's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Circuit Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Circuit Clerk's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Circuit Clerk's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Circuit Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Circuit Clerk's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Circuit Clerk's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
